---

By Robert Ryan

Simon & Schuster Ltd. Paperback. Book Condition: new. BRAND NEW, The Dead Can Wait, Robert Ryan, Deep in England's green and pleasant land something evil lurks. Dr John Watson is back home, fresh from his time in the trenches of Flanders Fields. The horrors of war weigh heavy on his mind, and now his task is to help rehabilitate soldiers suffering from the crippling effects of shell-shock. But the war is not yet over and in one corner of England lies a secret, one that the establishment is determined to keep under wraps. For in the woodlands of the lush countryside, the government is building the secret weapon which will win the war for Britain. Here, they are developing the land ship - never-before-seen 'tanks' which the army is convinced will end the stalemate on the Western Front. But then disaster strikes. After a training exercise in one of the tanks, eight men are mysteriously struck down, seven of them dead. There is just the one survivor, and he's not talking. It is clear something is horribly wrong, and the army calls in the only man who will know how to solve the mystery: Dr John Watson.

### Reviews

*This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*A brand new e book with a new perspective. Better than never, though I am quite late in starting reading this one. I found out this ebook from my dad and I advised this publication to find out.*
