A WANDERER TILL I DIE

The Long Riders' Guild Press. Paperback. Book Condition: New. Paperback. 308 pages. Dimensions: 7.9in. x 4.9in. x 0.9in. The world was rumbling with discontent in 1934. Fascism was on the march and Japan was making a military land grab against a weakened Chinese empire. Nobody with any common sense went wandering around South East Asia alone unless they were looking for trouble. Which is exactly what young Leonard Clark (1908-1957), one of the greatest adventure travel writers of the early 20th century, thrived on. Clark's later life included leading a mounted group of guerrillas into Tibet and organizing a spy ring against the Japanese Imperial army, before he eventually died in a Venezuelan jungle looking for diamonds. But this some-time aviator, full-time risk-taker, got his start in the jungles and battle fields of 1930s Asia. And while his later travel accounts are better known, *A Wanderer Till I Die* is the book that sets the pace for Clark's event-filled life. Though only twenty-six when the story opens, he's already armed with a keen eye, a sense of humour, no regrets and his trusty Colt 45 pistol. Clark delights in telling his readers how he outsmarts warlords, avoids executioners, gambles with renegades and hangs out with an up and coming Communist leader named Mao Tse Tung. In a world with lax passport control, no airlines, and few rules, the young man from San Francisco floats effortlessly from one adventure to the next. When he's not drinking whiskey at the Raffles Hotel or listening to the St. Louis Blues on the phonograph in the jungle, he's searching for Malaysian treasure, being captured by Toradja head-hunters, interrogated by Japanese intelligence officers and lured into shady deals by European gun-runners. But he always comes out smiling, if still broke. For that's the charm of...
