Andrews McMeel Publishing. Paperback. Book Condition: New. Paperback. 168 pages. Charles M. Schulz and his beloved comic strip, Peanuts, have changed the world. In Security Blankets, Fraser and Bang present a heartwarming collection of 51 touching true stories to show the connection people have with the adored cartoon. Stories, photos from the contributors, and Peanuts artwork make this work extra special. The connections are so strong theyve even had the power to change peoples lives. Take, for example, the Vietnam POW; whose first piece of correspondence while in captivity was a Snoopy card that included a picture of his wife and children. Or the 5-year-old boy from Boston who demanded that his stuffed Snoopy accompany him to the hospital for a high-risk surgery. Connections such as these show how Peanuts has become a security blanket for thousands. This is chicken soup for the Peanuts lovers soul. Excerpt from the book: But what made this drawing different was the unique countdown calendar that my father had drawn on Snoopys belly. Each square on the calendar, which my sisters and I would cross out, meant that our dad was one day closer to coming home. Every time a square was marked off that drawing, Snoopy brought a bit of happiness and security to a war-weary and scared ten-year-old girl who desperately missed her Daddy. Did Snoopy help bring my father safely home from the Vietnam War Maybe, maybe not. But to this day, whenever I see Snoopy--especially when hes performing his happy dance--my heart is grateful and filled with loving memories of my Dad. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
