It is just one of my personal favorite publications. It is among the most awesome publications I have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

CHILD OF THE ICE (PAPERBACK)

Dg Publications, United States, 2010. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.Narrative is the forerunner of History. Harmony of all Life existed, before we became the Slave of Time. This Narrative is written, to help the child within all of us, visualize a World, without a written language, without logic and defined structure, as we know it. Within this World, we find the Poetry of Nature, the Beauty of Life, the Spirit of a Child s interaction, with all the Creatures, of the Natural World and all of Nature s elements. This Narrative addresses Global Warming, loss of Native Language and Culture, and our Spirit s response to them. This Narrative is a template for the reader to develop their own response, using the essence of who they are, to create, write or visualize for themselves a Narrative of the Spirit of the Child within. It is a father s Legacy to his daughter s Spirit.
