SAGE Publications Inc, United States, 2006. Hardback. Book Condition: New. 2nd Revised edition. 277 x 218 mm. Language: English . Brand New Book. Powerful Lesson Planning is an important book, offering essential guidance in the highly complex task of lesson planning. In this age of content standards and the high-stakes assessment of those standards, the teacher s challenge in planning for instruction is more profound than ever - from the Foreword by Charlotte Danielson Every teacher s goal is to create a rich instructional environment for their students, and thoughtful, informed lesson-planning is a key element in that process. Janice Skowron s jump-start of a book offers novice and experienced teachers step-by-step, essential guidance in this challenging and often highly complex task. It brings into focus the decisions teachers face as they plan instruction and provides four progressively complex and nuanced models: basic, integrated, differentiated, and problem-based instruction. Descriptive information, numerous examples, and tools such as key questions, planning guides, and templates help educators develop proficiency in planning instruction. This revised edition will:

- o Help teachers incorporate the best practices for lesson planning
- o Build the lesson-planning skills and repertoire of new teachers
- o Revitalize instruction for veteran teachers
- o Strengthen teachers abilities to plan standards-based lessons
- o Help teachers focus on assessment in the initial phases of lesson planning

Powerful Lesson Planning will increase teachers competence and confidence-and help them master the skills needed to advance their practice and improve learning for all students.
