Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It's been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modify the way I really believe.

THE TREE IN THE ANCIENT FOREST

Dawn Pubns. Paperback. Book Condition: New. Christopher Canyon (illustrator). Paperback. 32 pages. Dimensions: 11.8in. x 8.0in. x 0.1in. Science teachers and ecologically minded parents: this book is a delightful introduction to the habitat in and around old trees. As AAAS Science Books and Films says, The science is accurate and the book painlessly teaches important ecological lessons. From lowly fungi to majestic owls, the book connects the web of nature. Repetitive, cumulative verse--a poetic technique that children universally enjoy--aptly portrays the amazing ways in which the inhabitants of the forest depend upon one another for survival. Stunning illustrations by the renowned illustrator, Christopher Canyon, manage to be both magical and true to life. It includes a guide to the forest creatures and their interrelationships, and a concise explanation of an ancient forest. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
