Recent art school graduate Bekah thought she d hit the jackpot: an unknown relative died, and she inherited a small fortune and a huge house in the mountains of North Carolina. Trey Howard, the lawyer who handled the estate, is a handsome man in his twenties and they hit it off right away and soon become more than friends. Bekah expected a pleasant year to get her head together and have a romantic fling. Problem is, the house is full of junk.and siblings she didn t know she had are willing to kill her for it. More important, the junk in her new house is magical, she s surrounded by monsters, and her life seems to be in mortal peril every time she ventures into a new room. As Bekah discovers more about her mysterious benefactor and the magical world he inhabited, she s realizes that as tough and resourceful as she is, she might just be in over her head. Heirs of Grace is a tale of family and magic, action and wonder, blending the strong heroine, cheeky humor, and dark fantasy that have become the hallmarks of Tim Pratt s writing.
